BELVEDERE 0,7L	160€
BELVEDERE 1,75L	470€
BELVEDERE 3L	640€
BELVEDERE 6L	1280€

Launched in 1996, Belvedere is widely regarded as the world's first super premium vodka. It is named after Poland's Presidential Palace in Warsaw and, like the building, translates as "beautiful to see". It is made from 100% Polish Dankowskie Złote rye and distilled using a four column process.

GREY GOOSE 0,7L	165€
GREY GOOSE IL	220€

Grey Goose vodka launched in 1997 (UK 2001). It is distilled from wheat grown in Picardie, northern France using a five column process to produce a neutral spirit. Grey Goose is then blended with demineralised limestone-filtered spring water in the heart of France's cognac region.

TANQUERAY	120€
------------------	------

Back in the 1830s, Charles Tanqueray was not afraid to shake up brave ideas in his own unique style. He invented an unmistakable gin which is still celebrated to this day - the perfect mix of ingenuity, heritage, and discernment.

BULLDOG	120€
----------------	------

Contract distilled in England using a traditional pot still but untraditional botanicals such as dragon eye (longan), poppy and lotus leaves. More conventional of the 12 botanicals include: lemon peel, almond, cassia, lavender, oris, liquorice, angelica, coriander and, of course, juniper.

BOMBAY SAPPHIRE	150€
------------------------	------

Flavoured with ten botanicals: juniper berries from Tuscany, coriander seeds, angelica root, liquorice, Italian oris, cassia bark, spanish almonds and lemon peel, Cubeb berries from Java and west african Grains of Paradise. Unusually, Bombay Sapphire is distilled using the vapour infusion method.

BROCKMAN'S	160€
-------------------	------

The producers of Brockman's take a traditional distillate made by distilling neutral spirits with fairly classic gin botanicals and cold compounding a berry essence. (Launched in 2010)

HENDRICK'S	160€
-------------------	------

No other gin tastes like Hendrick's because no other gin is made like Hendrick's. We infuse our gin with the remarkable Bulgarian Rosa Damascena and specially selected cucumbers from the finest producers.

WHITLEY NEILL RHUBARB & GINGER GIN	170€
---	------

Whilst most of Johnny Neill's inspiration for his gins comes from his ancestors intrepid exploits abroad, this Rhubarb & Ginger Gin harks from fond memories made slightly closer to home. Essence of rhubarb adds a tart, crisp edge to a smooth English gin base, while ginger extract warms the palate for a full-bodied finish.

Tennessee Whisky

JACK DANIELS 150€

Ron Zacapa is famously aged in warehouses one-and-a-half miles above sea level among soaring Guatemalan mountains and active volcanoes. Launched in 1976, it is produced from the first pressing of sugar cane juice rather than molasses.
